#### Slide 2 Learning Outcomes

Create a place in the room as an Easter area, maybe a (blanket) cave with a big (pillow) stone and a white towel. Gather for children to explore Easter through dramatisation, stories, images, books, songs, you tube clips, art and craft materials and paper etc. Have some simple props and costumes children can use to create their own Easter story drama. Have a selection of articles suitable for an Easter prayer focus and let them set up a new one each day. Remember to add "Alleluia, Alleluia" to prayer during the 50 days of the Easter season. Have poems, books and bibles with the Easter story with a simple text that children can read to each other. Ask teachers from other classes to let your class visit to share their learning together. If possible take the children to the church to see the Paschal Candle and the bright joyful yellow and white flowers, candles and altar cloths. Children can pick up a lot about the feast and season of Easter from exploring their local church. Make children aware that this is the greatest feast in the Liturgical Year and it is the event and belief that our faith is based on. This is one of children's early experiences to learn about the meaning of Easter. You are their spiritual guide and faith witness for your children so this is a good week to let them see how important celebrating Easter is for you and them together.

### Slide 4 What I know already about Jesus' life, death and Resurrection

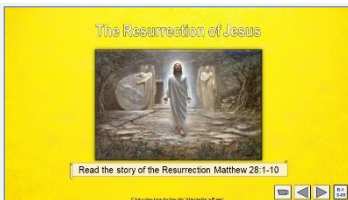

Make a copy of the Mind Map worksheet for each child and give them time to write something they know in some of the spaces. They can leave some for writing in later, as they work through the resource.

Complete the mind map at the end of this work. To get started look closely at the images on the slide to get ideas of what happened in Jesus' life, his death and his Resurrection.

Share it with someone at home. Refer to Sharing our Learning, R3 Slide 12.

Note which aspects of the topic has least understanding and decide how you can address this – using older children/RE buddies, reading/telling bible stories, you tube clips, theme work.

Teacher's Notes

### Slide 5 The Resurrection of Jesus

Look at the picture and give children time to say what they can see and what Jesus is doing. Who else is present?

Explain that the story of Jesus' Resurrection is in the Bible – show children where it is and read the Resurrection story Matthew 28:1-10. Look closely at the slide image and let children share what they see. Allow time for children's

questions and comments.

Adapt Teaching and Learning Experiences 2 & 3.

### Slide 6 Jesus appeared to his disciples after his Resurrection

Use the text on the blind reveal to recap with children what Jesus had been doing before he died on the cross and rose again. They may be able to add ideas about this. Read each piece of the revealed text and talk about it and ask questions - Did Jesus miss his friends? Look at the picture on the slide and see what is happening? Do you think this is before or after Jesus has risen?

How do you know?

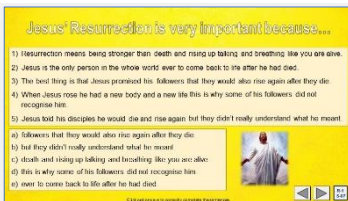

Watch the clip

<https://www.youtube.com/watch?v=8pzYDDNKJbE>

Resurrected Jesus Appears to His Disciples (1:55 Minutes)

Take time for children to respond to what they saw in the clip and make comments or ask questions. Keep a record of their questions to ensure they have been answered and as an indicator of the level of understanding and interest of the children's thinking – surface or deeper.

Teacher's Notes

### Slide 8 Jesus tried to prepare his followers for what would happen to him

Read each PIN with the children and talk about how Jesus tried to prepare his followers for what was going to happen to him. He thought this would help them to cope better with what was to come.

Do you cope better when you have been prepared for something that is going to happen? Do you know why this is? Share some examples.

Make a poster or a power point to show how Jesus tried to prepare his disciples for his death and Resurrection. Share your poster with your family whānau. Refer to Sharing our Learning, R3 Slide 12.

Teacher's Notes

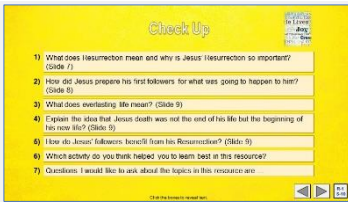

### Slide 9 We will share in the everlasting life of the risen Jesus in heaven when we die

Sing using the MP3 'I am the Bread of Life'.

Teacher's Notes

### Slide 10 Check Up

This formative assessment strategy will help teachers to identify how well the children have achieved the Learning Intentions of the resource. Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for children in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Recording the children's responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

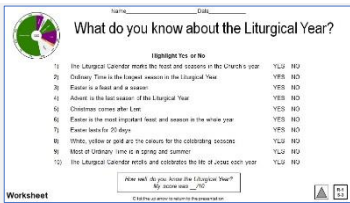

Teacher's Notes

### Slide 11 Time for Reflection

The MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them to *reflect on why the Resurrection is such an important event for all Christians. Thank Jesus for his promise of everlasting new life for us after we die.*
