**How the New Testament writers describe Christ's Second Coming**

St Matthew records Jesus' words in his gospel: "The sun will be darkened and the moon will not give its light, the stars will fall from heaven and the powers of heaven will be shaken. Then the sign of the Son of Man will appear in heaven and the tribes of the earth will mourn and they will see the Son of Man coming in the clouds of heaven with power and great glory. And he will send out his angels with a loud trumpet call and they will gather his elect from the four winds."

Matthew 24:29-31

St Luke records Jesus' words in his gospel: "There will be signs in the sun, the moon and the stars and on the earth distress among nations, confused by the roaring of the sea and the waves. People will faint from fear and foreboding of what is coming upon the world, for the powers of heaven will be shaken. Then they will see the Son of Man coming in a cloud with power and great glory. Now when these things begin to take place, stand up and raise your heads because your redemption is drawing near."

Luke 21:25-28

**Slide 6A How the New Testament writers describe Christ's Second Coming**

Read what Matthew and Luke wrote in their gospels about Christ's second coming.

Going on what these gospels tell us what the day of Christ's second coming will be like. Discuss this in groups.

Teacher's Notes

**Sharing our Learning about ADVENT with family whānau**

- Create a Power Point using the photographs of the dramatic presentations from Slide 7-12 and create a reflective diary to increase people's awareness of how Jesus comes to people now through the words, images, music and symbols that are part of a liturgy. Use the power point as part of an Advent liturgy to share with your school. Include links to Christ's first and second coming.
- Imagine someone has asked you what the links are between Christ's coming at Christmas or an historical event, how Christ comes into our lives now and Christ's second coming at the end of time. Make a triptych and use it to explain how these are all part of the same connection. Share your triptych with people at home and at school and say how this connects to celebrating the season of Advent.
- Set up a small group discussion to share how people experience Christ's coming now through celebrating the liturgy. Invite people to share experiences of liturgy where they have been aware of Christ's presence in the celebration in different ways. Invite people that this is how Christ comes into the world every day. Retell the story of Christ's first and second coming.

**Slide 10A Sharing our Learning about ADVENT with family whānau**

This slide provides some choices for children to show and share what they have learned. Examples could be photographed as evidence of children's learning.

You may like to put a copy of the Sharing our Learning page in children's RE Learning Journals. You could talk through the choices using the slide and let children make their choice from their own copy.

Children could work on their choice at school and/or at home and you may like to set a day for sharing. Please let parents and whānau know what you expect them to do with this.

The slide is focussed on Year 8 Achievement Objective which is covered in Lessons 1-2

**ADVENT Year 8 AO** Children will be able to: develop an understanding of Christ's coming as a real event in history, as Christ's coming now in the Church through the liturgy to help people grow in his likeness and that Christ will come again in the Second Coming.

**Sharing our Learning about ADVENT with family whānau**

- Make a publicity flyer to draw people's attention to the purpose of the season of Advent. Paint out the importance of this time for conversion - to recognise things in your life that need to change - suggest some ways to help people change any negative attitudes they have. Include images of the symbols for Advent on the flyer and suggest people use them to keep them focussed on using the 4 weeks to prepare well for the coming of Christ. Distribute the flyers to people who can use them.
- Create art works of Christ's second coming to display in the school or church foyer. Include the Scripture references: Matthew 24:29-31, Luke 21:25-28, Revelation 1:7, Acts 1:11
- Compose a rap to share about using the season of Advent to grow more like Jesus - suggestions: reflecting on what needs 'conversion' - turning away from sin in your life, responding positively to requests for help at home and at school, opening your heart to Jesus in your friendship with him grows as Christmas approaches, taking part in liturgies that mark the season.
- Make up your own way of showing and sharing what you have learned and decide with whom you would like to share it.
