

SLIDE OVERVIEW – THE LITURGICAL YEAR TE TAU ME ONA RITENGA TAPU HOLY WEEK

LEVEL 4 Year 8 Resource 1

Print off this slide overview to supplement your planning.

Refer to Teacher's Notes for background information related to the resource content and suggested Teaching and Learning Experiences in the Teacher's book or in the Teacher's material under Resource Notes on the Resource Home Page.

If worksheets are used in this resource these can be printed from PDF files that are available on-line in (lesson) Resource Documents.

Slide 1 Passion Sunday

Use this slide as a focussing strategy to introduce the resource topic. Read the title together and invite students to share something they know about the events of Holy Week and how the Church celebrates them. Look closely at the image and share ideas of the significance of the event it portrays. (Jesus is entering Jerusalem on a donkey, welcomed by the people as their king. He knows where this journey is leading to.) Put the event into the context of Holy Week. This event sets the scene for what unfolds during Jesus' last week in which he is put to death on the cross. Talk together about walking with Jesus on his last journey by spending quiet time with him.

Slide 2 Learning Intentions

Invite students to suggest ways they could create a quiet, reflective, prayerful atmosphere in the classroom during Holy Week. Provide some symbols, cloths and candles to set up a special prayer focus for Holy Week starting with Passion Sunday symbols and add symbols as the week progresses. Use the gospel readings that describe the events each morning this week and try to complete the whole Passion story on Holy Thursday.

Use Taizé music throughout the day to remind children this week is different from all other weeks of the year. Create wall displays of appropriate images and set aside part of the classroom as a quiet prayer space that can be used throughout the day. Remind the students that as Good Friday is a holiday they will need to include the symbols for that day on Holy Thursday.

If you have students who need more RE background on Holy Week the Level 3 Year 6 Holy Week resources focus on the first 4 days of Holy Week and the Days of the Easter Triduum which you can access on the web.

The Last Supper story spoken in Hebrew with English subtitles (3:07 minutes)

Children could imagine that this is what Jesus' voice sounded like as he prayed over the bread and wine at the Last Supper.

Remember you are a spiritual guide for your class and this is the most important week of the year to let the students see this.

Slide 3 The Liturgical Calendar measures the seasons and feast of the Church's Year

Ensure each student has a copy of the Liturgical Calendar. Follow the directions on the slide. Complete the worksheet and add it to RE Learning Journal to be referred to throughout the year.

Slide 4 The History of the Holy Week Ceremonies

Use the flip cards to generate discussion about how the ceremonies that are celebrated by Christians all over the world during Holy Week came to be. Children create something visual to show how the Holy Week liturgies have developed to what they have today starting with Egeria (rhymes with Nigeria).

Slide 5 Ways Christians celebrate the Events of Passion Sunday

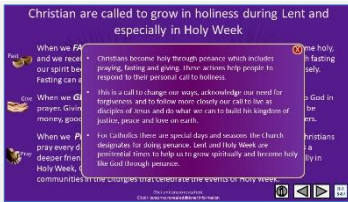

Read through the text reveals and answer the questions. Sing using the MP3 'Jesus is our King' Photograph or record your school Passion Sunday Liturgy. From the images make a power point that could be used in your school or parish in the future to teach children about the meaning and importance of Passion Sunday. You could include images and explanations of how Passion Sunday is celebrated in other parts of the world – see Slide 6. This could be shared with families as a Sharing our Learning item on Slide 12.

Teacher's Notes

Slide 6 Palm Sunday Celebrations in other Countries and Cultures

Remind the children how re-enacting the events of Jesus' passion makes them real and present to people and this is why people all over the world re-enact the events of Holy Week.

Slide 7 Christians are called to grow in holiness during Lent and especially in Holy Week

Talk with the children about making a special effort during Holy Week to do acts of charity, kindness and penance such as fasting, praying and giving and explain how this can be their response to God’s call to them to become holy. Remind children that they are not required by the church to fast until they are 14 years old. But many families fast in Holy Week regardless of age to help them to remember the sacredness of the week and what Jesus did for them during that week.

Slide 8 Responding to God’s invitation to grow in HOLINESS during Holy Week

Print enough worksheets for each child to complete and share then add to their RE Learning Journal. Leave Slide 8 up as children complete their Y charts. They may find language and ideas help them to generate some deeper thinking of their own to add to their Y chart.

Slide 10 Check Up

This formative assessment strategy will help teachers to identify how well students have achieved the Learning Intentions of the resource.

Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for students in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Recording the students' responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

Teacher's Notes

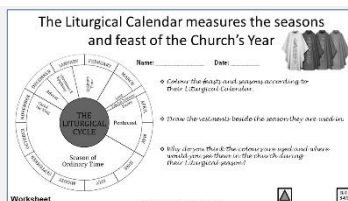

Slide 11 Time for Reflection

The MP3 is played to help create a reflective atmosphere and bring the young people to stillness and silence as the teacher invites them to *recall the events of Holy Week and try to grasp the enormity of the effect they had on human history from that week in time until today. Think about what Jesus, God's only son, suffered so that they and all people can be free from death and sin*

forever. Respond to this in ways they show Jesus how much they remember him and appreciate that he gave his life out of love for them and all people on Good Friday.

Teacher Note – the reflective music is a Taizé song “Jesus Remember Me” which could be played throughout the day this week to help children to realise that Holy Week is a prayerful and reflective week that is different from all other weeks in the year.
