**Slide 7 The cross helps us to remember that Jesus died on the cross**

In Lent we try to be a loving person because that is what Jesus wants us to be.  
Use the flip cards to help children think about how they can be a loving person in Lent.  
After Jesus died he rose again and that is what we are getting ready to celebrate at Easter. Easter come at the end of Lent.

### Slide 8 Check Up

This formative assessment strategy will help teachers to identify how well the children have achieved the Learning Intentions of the resource. Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for children in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Recording the children's responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

### Slide 9 Time for Reflection

The MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them to *remember that Jesus died because he loved us so much. Talk to Jesus about how you are trying hard to be a loving person like him in Lent.*
