Each child gets a purple felt or crayon. Point to the season of Lent and show them where to colour – not on the Holy Week words.

### Slide 8 Check Up

This formative assessment strategy will help teachers to identify how well the children have achieved the Learning Intentions of the resource. Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for children in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Recording the children's responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

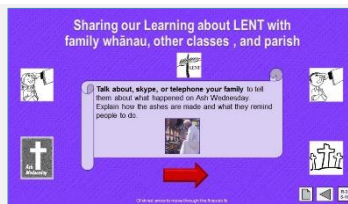

Teacher's Notes

### Slide 9 Time for Reflection

The MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them to talk to Jesus in their heart and tell him they are sorry for the times they are mean or selfish to others. Tell Jesus they will try to follow him and be kind and helpful at home and at school during Lent.

### Slide 10 Sharing our learning about LENT with family whānau, other classes, and parish

This slide provides some choices for children to show and share what they have learned. Examples could be photographed as evidence of children's learning.

You may like to put a copy of the **Sharing our Learning** page in children's RE Learning Journals. You could talk through the choices using the slide and let children make their choice from their own copy.

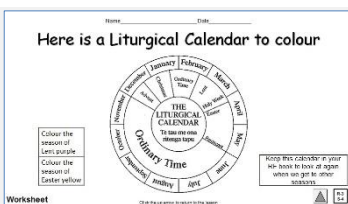

Children could work on their choice at school and/or at home and you may like to set a day for sharing. Please let parents and whānau know what you expect them to do with this.

The slide is focussed on the Year 1 **LENT** Achievement Objective which is covered in Resources 1-3

**LENT Year 1 AO** Children will be able to:

recognise **LENT** as a season for getting ready for Easter.
