Refer to Teacher's Notes for background information related to the resource content and suggested Teaching and Learning Experiences in the Teacher's book or in the Teacher's material under Resource Notes on the Resource Home Page.

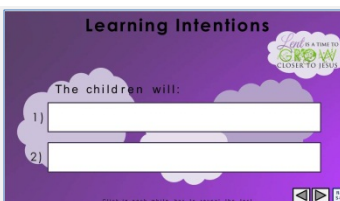

If worksheets are used in this lesson these can be printed from PDF files that are available on-line in the (Lesson) Resource Documents.

### Slide 1 Changes in People

Use this slide as a focussing strategy to introduce the resource topic. Read the title together and invite children to share something they know about how people can change in Lent and grow closer to Jesus.

Teacher's Notes

### Slide 2 Learning Intentions

Read through the Learning Intentions with the class and identify some ideas/questions that might be explored in the resource.

1. recognise Lent as a time for people to change their ways as Zacchaeus did
2. identify ways that people can change in Lent.

Teacher's Notes

### Slide 3 Symbols of Lent – sackcloth and ashes

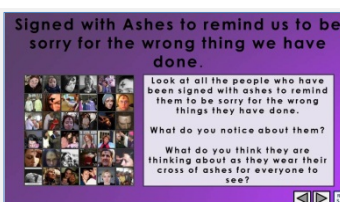

Adapt Teaching and Learning Experience 1

Children look closely at each image. Read the revealed text and ask a question about it. How is the man in sackcloth feeling?

Discuss with children what it would be like to wear sack cloth and ashes so everyone knows you have done some bad things.

Do you think it would be a good way to make up for the times you are not a loving person?

Teacher's Notes

### Slide 4 Signed with Ashes to remind us to be sorry for the wrong things we have done

Follow the directions on the slide.

## Teacher's Notes

### Slide 5 Ways children of our age can change our ways in Lent to become more like Jesus

Adapt Teaching and Learning Experience 2

Children suggest the correct words to complete the sentences then check with the floaters.

Children make other suggestions about things they can change to grow more like Jesus. Teacher can watch for children who are really trying to change and affirm their efforts.

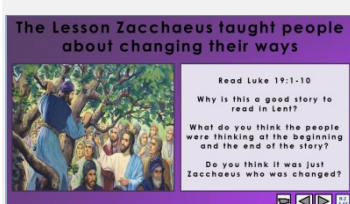

## Teacher's Notes

### Slide 6 Developing the habit of praying every day and asking God to remind you about this

Work through ideas on the slide with the children and help them to remind each other that when they pray every day they grow to be a very close friend of Jesus. Find some pebbles for the class to use as a prayer reminder.

### Slide 10 Check Up

This formative assessment strategy will help teachers to identify how well children have achieved the Learning Intentions of the resource.

Teachers can choose how they use the slide in their range of assessment options.

The last two items are feed forward for the teacher.

Recording the children's responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

- 1. In your experience what helps you to change your ways and put others first.**
- 2. Who inspires you to change and share what you have with others?**
- 3. Tell the story of Zacchaeus as it would be told by a child your age who was in the crowd and saw what happened . Explain the effect this had on you.**
- 4. What changes have you noticed in yourself and other people during Lent?**
- 5. Which activity do you think helped you to learn best in this resource?**
- 6. Questions I would like to ask about the topics in this resource are ...**

**Time for Reflection**

### Slide 11 Time For Reflection

The MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them to *think about how Jesus' love changed Zacchaeus and how he became a generous, honest man. Ask yourself how you are changing - are you putting others first? Are you becoming a generous person? Do you feel you are growing closer to Jesus?*

## Teacher's Notes

**Sharing our Learning about LENT with family whānau, other classes and parish**

**Make a poster** showing how Aurlene and Leni are seasons of change. Explain how change is good because it helps things and people to grow and become the best they can be as God planned.

**Present the short plays** about Zacchaeus to other classes and ask them how they are trying to change that way this Lent – are they learning the lesson Zacchaeus learned about being generous and honest?

**Make a prayer bag** with a crucifix, 40 stones or pebbles for the 40 days of Lent and a pair of little shoes to move in the journey through Lent. Children can have fun at taking it home and setting it up to share with their family during Lent. Add a photograph of it set up and some prayers for families to use.

**Remind families that Lent and Ash Wednesday are seasons of change** and suggest they go for a walk together and notice signs of change in nature. Encourage them to talk about things they would like to change in their family, to make room for some new life and habits. This is what Lent is for and if these people grow close to Jesus.

**Suggest that parents involve children** in clearing up the paths of the garden that have died and look for signs of new life coming through. Explain that life is like that – we need to clear away things that are no longer the going forward way for new life – that's why we have Lent.

**Research the practice of wearing sack cloth and ashes** and present your findings to your family. Make a list to share which people today can show they are sorry for what they have done wrong.

**Make up your own way** of showing and sharing what you have learned and decide whom you would like to share it with.

## Slide 12 Sharing Our Learning

This slide provides some choices for children to show and share what they have learned. Examples could be photographed as evidence of children’s learning.

You may like to put a copy of the **Sharing our Learning** page in children’s RE Learning Journals. You could talk through the choices using the slide and let

children make their choice from their own copy.

Children could work on their choice at school and/or at home and you may like to set a day for sharing. Please let parents and whānau know what you expect them to do with this.

The resource is focussed on the **LENT** Achievement Objectives which are covered in Resources 1&2 **LENT Yr 3** AOs Children will be able to: identify signs and symbols that show Lent as a season of change.

Children will be able to: identify ways that people can change during Lent.
