**Slide 9 Check Up**

This formative assessment strategy will help teachers to identify how well the children have achieved the Learning Intentions of the resource.

Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for children in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Recording the children’s responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

Teacher’s Notes

**Slide 10 Time for Reflection**

The MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them *to imagine they can hear the rushing wind of the Holy Spirit and feel the Spirit of Jesus filling their heart with love to share with everyone they meet.*
