Slide 4 Recapping what Pentecost is about

Adapt Teaching and Learning Experience 2.

Give each student a mind map to record what they know about Pentecost and what they would like to know. Refer them to the Pentecost key word list. Treat this as a pre-test and add it to their RE Learning Journals. In class prayer this week read the Pentecost story Acts 2:1-11.

Slide 5 The Story of Pentecost

Invite students to look at the image on the slide and note its style in relation to the traditional Pentecost images in the clip. Give reasons for the style you prefer. Watch the clip 'Day of Pentecost' 4:39 minutes.

Point out Stephen in the clip and note what happened to him in Acts 7.

Stephen was the first Christian martyr. Adapt Teaching and Learning Experience 3.

Students make comic strips telling the Pentecost story to share with younger children.

These can be used as evidence for Check-up Item 1.

Slide 6 Why is Pentecost such a significant event in the Church?

Work through the flip cards and use them to initiate discussion and research. Note the message revealed in the centre of the image.

Invite students to give reasons why Pentecost is such a significant event in the life of the Church including:

- Without the presence of the Spirit Jesus' mission could not have continued and the Church would not have been born.
- The Spirit poured out gifts on people that enabled them to live as Jesus lived and build his kingdom here on earth.
- The coming of the Spirit fulfilled Jesus' promise to be with his followers always.
- Pentecost enables the Spirit to live in the world, in the Church and in our hearts guiding and prompting us to make Jesus alive in the world.

Teacher's Notes

Slide 7 Pentecost in the life of the Church today

Use the post it notes to stimulate discussion about:

- 1) The relationship between how the first disciples received the Spirit and how the Spirit is passed on to the disciples of today - in the Sacraments.
- 2) The effect the Spirit had on the first disciples and how it affects Jesus' followers today.

3) How Baptism is the beginning of the life of the Spirit in people, and how Confirmation 'confirms' this life so people can grow in their Christian life.

4) As people grow in their Christian life they become more aware of how the Spirit 'nudges' them to use their gifts for the good of others and to notice how good this feels.

Young people share their experiences of the nudges, prompts, hunches they recognise as the Spirit alive in their hearts.

Work through the list with the class naming incidents recorded in the gospels that enable people to see the gifts of the Spirit in action in Jesus' life.
 Use these stories in class prayer this week. Explain it is the Holy Spirit working in us that enables us to see the connection between the gifts of the Spirit and how we act towards others just as we can recognise this in Jesus' words and actions. The Holy Spirit helps us to be alert to coherence and cohesion between our gifts and our ideas and actions.

Slide 12 Check Up

This formative assessment strategy will help teachers to identify how well students have achieved the Learning Intentions of the resource. Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for students in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Recording the students' responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

Slide 13 Time for Reflection

The MP3 is played to help create a reflective atmosphere and bring the young people to stillness and silence as the teacher invites them to *reflect on the gifts of the Holy Spirit that they have and think about how they could make more use of them in their life and in their relationships with God and people.*
