

Preparing for Christmas – is it just shopping and parties?

- 1) Before Christmas is the best time for shops presents is the only reason we have Christmas.
- 2) Shops advertise in pamphlets so people will to get people thinking about buying lots of presents.
- 3) There are ads on TV to keep people thinking forget the real reason why we give gifts at Christmas.
- 4) Shops try to make people think that buying know where they can buy presents for their family.
- 5) In the middle of all the shopping people can about buying more and more things for Christmas.
