

# Sharing our Learning about LENT with family whānau

- ❖ **Make a poster** with a backpack, or borrow an old backpack. Label it **BACKPACK FOR A PILGRIM ON A LENTEN JOURNEY**. Make large captions cards with all the ways young members of the Church can use their Lenten journey to grow closer to God and change something in their lives they know needs to be changed. Use the backpack and the cards and prepare a presentation to share with other classes to remind people of their own Lenten journey.

- ❖ **Make up an elevator pitch** that lasts one minute to encourage people to use Lent as a time to pray, fast and give alms to the poor and to grow closer to God. Share it with your family and other classes. Record it to use as a resource next Lent.

**MAKE  
THESE  
40 DAYS  
HOLY**

- ❖ **Create a Power Point** to share all you have learned about LENT with people in your parish or Whānau. Prepare the Speaker Notes carefully and include questions to engage people in discussion. Practise it with classes in your school.
- ❖ **Start a campaign** to encourage people to make good use of Lent this year. Make posters, placards, flyers with ideas about how children and young people can live justly and grow in holiness during Lent.
